Open-Ended Feedback

What did you like most about AgoraAI?

12 responses

NA

No comments

La interaccion en tiempo real con los temas presentados y la coherencia de los comentarios que emitieron los abatares IA, ademas del tiempo de respuesta de los abatares.

Que nos amplía el panorama o sugiere áreas de mejora en los trabajos de investigación

Interchange of knowledge with an AI and hear the comments

La necesidad por parte de la IA por concretar las fechas compromiso para los pendientes, ya que en juntas anteriores estos puntos no quedaban claros o el personal no se comprometía con las fechas de sus entregables

The option of make questions about the meeting some time later

Responses

The practicality of the summary

The iedeas

El concepto mismo de recibir comentarios

Its ease of use, although programming it is a little complicated at first, afterwards its use is very simple and practical.

What would you like AgoraAI to improve?

11 responses

NA

Nocomments

que los integrantes o abatares sean mas establecidos con instituciones que estan en la region donde radicamos por ejemplo empresarios de empresas locales o regionales e instituciones de igual manera locales o regionales.

Me parece que de la manera que se utilizó en rol como par (investigador) y perfil industrial estuvo muy bien pensado.

I woud´nt change anything, it was very help full

ayuda visual en modo de tutorial para poder utilizar la herramienta correctamente

Custom database

Nothing

Que no "se deje influir" por los comentarios de los profesores.

Its configuration should be simpler and more intuitive.
